

Average Duration of Property Inventory

Comm Services & Revitalization

6/10/2013

Measurement method		Why measure?		What is our goal?	
The average number of months a property is held in the inventory of Community Services and Revitalization either in the Landbank or Urban Renewal		Landbanking clears title, returns properties to the private sector, reduces the ownership costs to Metro, raises our tax base and puts properties back into productive use		Reduce the average duration a property is in CSR's inventory
